### **DRIFTCON 2023 EVENT SCHEDULE - FOR IMMEDIATE RELEASE**

As the year comes to an end, DriftCon is releasing their 2023 schedule today.

Their primary goal for next season is to continue to grow drifting in the northwest with three high quality action-packed events that all have unique spectator experiences.

The Big Bounty Tournament and Double 8 Showdown will return with slight improvements to their formats. Last year these new DriftCon/Evergreen Drift competitions proved highly successful with record driver turnout. A major change to the schedule is the removal of a Shootout in June. This will be replaced with another new 32 driver competition that will be announced in early 2023.

All events will be held at Evergreen Speedway in Monroe, WA between the months of April and September.

#### **DriftCon Season Opener – April 22, 2023**

The kickoff event of the season will feature the 64 driver Big Bounty Tournament. This competition was very well-received as most drivers walked away with at least some cash or prizes. The 2023 rulebook, entry fee, and payouts will be shared over the coming months.

StanceWars will be back with their curated car show.

#### **DriftCon – June 3, 2023**

A brand new 32 driver competition is currently in development with Evergreen Drift. This will allow the top drivers in the NW to compete for cash and prizes in a completely different way from the other two events. Full details will be shared in early spring.

The Team Tandem Competition will be revamped but still be a large part of this event in addition to the judged Trackside Car Show by ImportMeet.com.

#### **DriftCon Afterdark – September 30, 2023**

The final event of the season will feature the 32 driver Double 8 Showdown as the main competition and the Drift Games will return with games like the 360 Drift Challenge, Big Entry Contest, and the Team Tandem Showoff. Final games will be announced closer to the event.

The judged Trackside Car Show with ImportMeet.com will be held as usual.
